

## Become a Student Ambassador

Students who join the Project MEGSSS Ambassador team will take on a leadership role within our organization. As a Student Ambassador you will have the opportunity to be the voice for younger generations of Elements students by offering essential program feedback. You will also serve as the student face of Project MEGSSS by sharing your experience with the program to potential new students at events and via social media.

The Student Ambassador program is a Leadership opportunity available for Elements Alumni currently enrolled in high school.

To apply please submit the following information and materials to Heather Sweeney at [nomination@megsss.org](mailto:nomination@megsss.org) by Monday, September 28th:

1. Full name, grade in school, school attending and Elements participation information
2. A single page Resume highlighting your education and involvements (This should include the information requested in number one)
3. A 300 word statement answering: “What my Project MEGSSS experience has meant to me”

**Heather Sweeney**

**Director of Recruitment**
